In compliance with the Paperwork Burden Reduction Act, CMD provides Form 1095-C to covered plan members electronically for the 2026 plan year. This serves as notice of alternative manner of furnishing.

> *Treasury Regulation § 1.6055-1(g)(4)(ii)(B) provides an alternative manner of furnishing the statements required under section 6055(c) of the Code if the individual shared responsibility payment amount under section 5000A(c) for the calendar year in which minimum essential coverage is provided is zero. Pursuant to Treas. Reg. § 1.6055-1(g)(4)(ii)(B), the requirement to furnish the statement generally is satisfied if the reporting entity provides clear and conspicuous notice, in a location on its website that is reasonably accessible to all responsible individuals, stating that responsible individuals may receive a copy of their statement upon request. The notice must be timely posted and retained on the website through October 15 of the year following the calendar year to which the statement relates. The regulations further provide that the reporting entity must furnish the statement to a requesting responsible individual within 30 days of the date the request is received.*

Direct access to the form is available on the ADP portal through the individual's account.
